

2015 Syrah

Aromas of ripe blackberries, vanilla bean, and roasted coffee beans welcome a well-structured, complex wine. The deep dark ruby-red color hints at the opulent blackberry fruit flavors, with a touch of caramel and spice leading to a lush, velvety finish.

The rolling hills of Paso Robles presents the ideal setting for our Syrah, with the warm days and cool, coastal nights providing the perfect growing conditions for our red Rhone varieties.
