

## 2016 Verdelho

Designed to express the peak flavors it achieved in the vineyard, this Verdelho was minimally processed using careful, by-hand techniques and bottled quickly to maintain optimum freshness. The resulting wine gives pretty, fruit-driven aromas led by mango and guava, yellow apple, and lime sherbet, along with an exotic streak of lemongrass. Surprisingly lush palate with a perfect balance of sweetness and tart juiciness. The tartness lingers on the finish along with vibrant tropical fruit.
